Out Brief

LtCol Gillespie, U.S.

March 10, 2004

Rotation of Chairmanship

Task 1: Discuss Rotation of Chairmanship of IS MIWG

Status:

- **At MIC 2003, the issue of rotating chairmanships of the MIWGs was discussed by the MIC Principals**
- **As MIC organization matures, based on resources available, is it feasible to rotate MIWG chairmanship responsibilities?**

Way Ahead:

- **Leave Chairmanship as is for continuity in current taskings & personnel support availability**
- **Review Chairmanship issue annually at March MIWG meetings**

MICIEM

Task 2: Review and Discuss Draft MICIEM document

Status:

- **Negotiated Draft MICIEM,**
- **Where possible, language used in MICIEM document should be consistent with language in International Agreements (IA) Memorandum of Understanding (MOU) Generator**

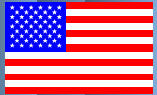

MICIEM

Task 2: Review and Discuss Draft MICIEM document (continued)

Way Ahead:

- **Published 12 Mar 04 Version of document and forward to IS MIWG members for national review**
- **National comments back to U.S. MIWG team by 1 May 04 and revised draft published by 7 May 04**
- **Identify Showstoppers 1 week prior to MIC Principals VTC in Jun 04**
 - **31 Oct 04 date at risk if Showstoppers not resolved**
- **Final Draft by 15 Sep 04**

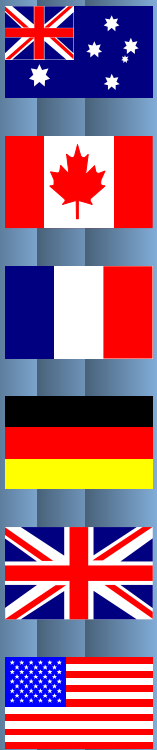

MICIEM

Task 2: Review and Discuss Draft MICIEM document continued

Way Ahead:

- **French to complete French language version of MICIEM document based on final English language version**
- **Signature ready/ratification version of English and French language MICIEM documents completed by 31 Oct 04**

MIC CONOPS

Task 3: MIC CWAN CONOPS Document Annual Review

Status:

- **Comments received from members were incorporated in “draft” CONOPS document provided to IS MIWG members on 11 Feb 04**

Way Ahead:

- **May need enabling documents to address issues outside of CONOPS’ scope**
- **No changes to document recommended**
- **Review annually at March MIWG**

Ops Mgmt Plan - Web Services

Task 4: Operational Management Plan for GRIFFIN Web Services

Status:

- **Initial Draft Management Plan outline provided by CMDR White, AU, in Nov 03**
- **MIC Test Site established with Defense Technology Information Center (DTIC)**

Way Ahead:

- **Use Draft Management Plan as Baseline**
- **Identify national and MIC Communities of Interest**
- **Determine who will maintain and populate data**

Draft CIE Annex, CBG

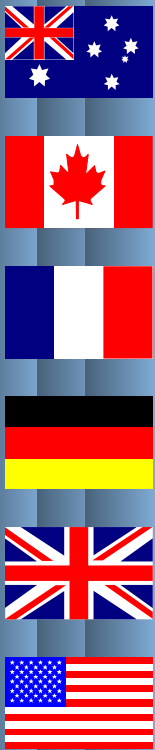

Task 5: Reviewed Draft Coalition Information Exchange (CIE) document prepared by French MIWG members

Status:

- **DPP MIWG requested the IS MIWG develop CIE Annex for the Coalition Building Guide (CBG)**
- **French prepared Draft CIE Annex; distributed to IS MIWG members in Feb 04**

Way Ahead:

- **Requires further review and staffing by IS MIWG members**

GAP Analysis

Task 6: Perform Gap Analysis in coordination with National Staffs

Status:

- **Tasked by MIC Principals at MIC 2003**
- **Perform “data call” of processes, tools, and organizations (PTOs) to determine what is needed to make coalition information sharing work**
- **What PTOs already exist and how can we leverage them**

Way Ahead:

- **Work with CDE MIWG’s CIE 2008 End State**
- **IS MIWG will formulate and distribute Gap Analysis framework to other MIWGs**
- **Establish milestones for completing Gap Analysis**

Interagency Interactions

Task 7: Review/Discuss Interagency Interactions for Each MIC Country during Coalition Operations

Status:

- **Task from MIC 2003**
- **Identify how each MIC nations' plans for including interagency players in their coalition planning and execution**
- **Identifies how MIC will include NGOs & IGOs**
- **Collaborate/leverage the efforts of the Coalition Interagency Coordinating Group**

Way Ahead:

- **Provide initial draft response by 15 Jun 04**

GRIFFIN User Community

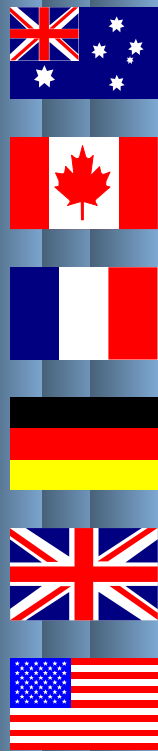

Task 8: Identify User Community for MIC Domain of GRIFFIN and Timelines for connecting Essential National Players

Status:

- **Identify essential National Players (Users) at each MIC Nation's National headquarters**
 - **Each nation determine essential national players**
 - **Recommend J2-J7 communities as baseline - Jul 05**
- **Each nation establish timeline for including essential to national headquarters User Communities on MIC domain**

Way Ahead:

- **Identify User Communities and establish timelines by 30 Apr 04 -preliminary input**
- **Immediate listing by 31 Jul 04**
- **Final listing and timelines by Sep 04 MIWG**

MIC Strategic Plan

Task 10: Review MIC Strategic Plan/IS MIWG Terms of Reference (TOR) Document

Status:

- **Review MIC Strategic Plan and IS MIWG TOR documents**

Way Ahead:

- **No changes recommended**
- **Perform annual review at Mar MIWGs**

CDE MIWG - CIE 2008

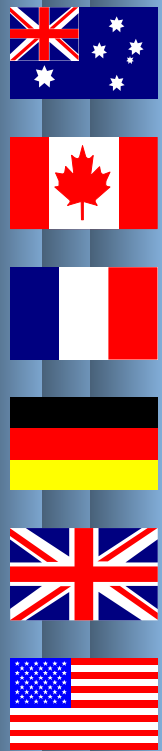

Task 11: IS MIWG will support CDE MIWG (as required) to define Coalition Information Environment (CIE) 2008

Status:

- **MIC 2003 tasked CDE MIWG to define the CIE in 2008**
- **Other MIWGs were tasked to support CDE MIWG's efforts as required**
- **CIE 2008 will be the baseline for the Gap Analysis**

Way Ahead:

- **IS MIWG define and lead Gap Analysis based on CIE 2008 baseline**

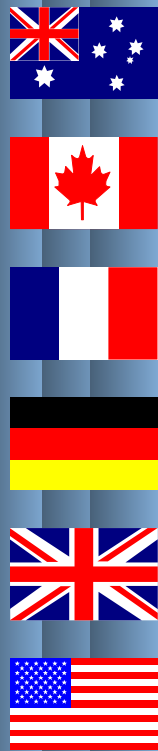

Future IS MIWG Activities

Task 12: Identify Potential Programs for Future IS MIWG Activities

Status:

- **Potential Programs Considered:**
 - **Coalition Combat Identification (CCID)**
 - **Joint Personnel Recovery (JPR)**
 - **Effects Based Operations (EBO)**
 - **Common Operations Picture (COP)**
 - **Multinational Information Sharing (MNIS) Transformation**
 - **Blue Force Tracking (BFT)**

Future IS MIWG Activities

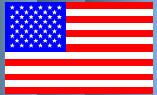

Task 12: Identify Potential Programs for Future IS MIWG Activities (continued)

Status:

- **Potential Programs considered:**
 - **Coalition C2 Concept of Operations document**
 - **Standing Joint Task Forces/Implications for MN Ops**
 - **Network Centric Warfare**
 - **Coalition Operational Net Assessment _**

Way Ahead:

- **Based on CIE 2008, identify programs to work**
